Subject: PASCC or Edwards to buy Pleasant View Unit 3

Phil,
I believe that it is important enough to buy Pleasant View Unit 3 that I am willing to find the money to buy it. However, I think it wiser to buy it in the name of the Sacred Purpose Trust as we will not have property taxes and there will not be any problems associated with the old erroneous tax liens that I have that caused me some difficulty when I refinanced my house.

Do you have any objection to the PASCC purchasing the house as long as I make the payments on its behalf.
